

Chuck Wagon Chow & Other Culinary Conundrums

Howdy, Chuck wagon chow & other Culinary Conundrums is a collection of recipes. Some of which might have been found on the trail during the Mexican vaquero and early American cowboy. The staples for the cowboy, defined as an appetite sittin in the saddle, were the three Bs Beans Beef and Biscuits. It was the cooks responsibility to find as many different ways to make them appetizing during the difficult round-ups and long trail drives as he could. However, in addition to the three Bs the Cokkie, as he was called (among other things), often made do with wild critter supplements such as rattlesnake, quail, rabbit (fried, stewed or otherwise). venison, and sometimes even the ever present coyote. In the tradition of the National Festival of the West, we hope you find the food fixins in Chuck Wagon Chow & Other Culinary Conundrums as much fun to fix as they are to eat....
