

Ashleys Handbook on the Doctrine of Jesus Christ

A legacy of love from Gayle Leuser Coons to her granddaughter, Ashley's Handbook on the Doctrine of Jesus Christ is for all who seek to know a man so loved and sought after, though 2000 years have passed since he walked the earth. It takes a lifetime to learn everything about the Savior - his teachings, his unusual manner of charity and forgiveness, his enemies, his death and his eternal love for all mankind - but with Christlike charity, Gayle shares it with you.
