

Disney Princess Cinderella A Royal Wish: Storybook and Wand (Musical Toy)

Little princesses will delight in waving their magic wand to make music, lights, and magic! There is something terribly wrong with Fairy Godmother's magic wand and she needs help to make Cinderella's royal wedding perfect! Every little girl will enjoy following the prompts on each page to know when to wave their own magic wand to help the fairy godmother decorate the wedding cake, create Cinderella's dress, and so much more. With lights and music on the wand, girls will feel as though they are truly creating magic to make Cinderella's wedding a dream come true!
