

## Clean Heart

Is she good enough for anyone, including God? Its the question that Kyloon struggled with regularly in her life, along with feelings of unworthiness and desiring freedom from self-hatred. Her pursuit of acceptance from her perfectionist, musical father, surviving a near-death experience and recovering from kyphosis highlighted much of Kyloons early years; which were later eclipsed with more challenges due to a verbally abusive husband, raising daughters and ongoing health complications. However, she sought Gods love and grace through her ordeals and was blessed with a renewed sense of identity and livelihood in Gods purpose for her. Her story is captured in Clean Heart; Healing Body, Soul and Spirit, which also reveals that Kyloons story is the authors autobiography. By peeling back the emotional layers of her life, the releasing of the inner child in Kyloon, author Karen, occurred and healing began to reunite Karen with Gods plan for her.
