

## Galileo Galilei E La Torre Di Pisa - Galileo Galilei and the Pisa Tower: A Bilingual Picture Book about the Italian Astronomer (Italian-English Text) (Italian Edition)

Young readers and language learners will find this bilingual book easy to read and to understand. A simple story is used to introduce Italian astronomer Galileo Galilei, his life, work and discoveries. Colorful illustrations help readers understand the text and a page with additional facts is included after the story for curious minds and for school activities. Every page of the book is written in both Italian and English, so that the use of a dictionary is not necessary. To help readers review the books content, two ready-to-use activities have been included at the end of the book. Language: Italian and English - Large print - Ages: 5+ Volume 3 of the Famous Italians series. In the same series: Volume 1: Maria Montessori; Volume 2: Christopher Columbus.
