

Baby Animals In The Snow

Baby Animals is a wonderful series that introduces children to the animal kingdom. Full color photographs show adorable baby animals in their natural habitats, including in the wild, in woodland, in snowy lands and on the farm. The images are supported by lively text that young children will love to share with their parents. Discover who loves to slide on the ice, who plays in snowdrifts and who keeps warm with lots of cosy fur in this adorable book on baby animals in the snow.
