

Dali and the Path of Dreams

The paintings of Salvador Dali, with their dreamy imagery, have a special appeal to children, who respond to the sense of imagination and whimsy they see. In *Dali and the Path of Dreams*, author Anna Obiols and illustrator Joan Subirana create an adventure story for young Dali inspired by the famous painter's style. Little Salvi, as he is known, rides on a long-legged elephant, encounters a chef who tosses clocks like pancakes, finds a magic key, flies on a floating boat, and does much more in this charming tribute to the seminal surrealist.
