

One Direction: Dare to Dream: Life as One Direction

Its hard to believe how much has changed for us in just a few months. From five guys who didnt even know each other to making it to The X Factor final, heading off on our first tour, recording our first album, and releasing our own music, weve written this book so you can get to know who we really are, where we came from, and where were going next. This is our story of life as One Direction so far, and were really proud to share it all with you! Its no exaggeration to say were having the time of our lives right now, and it would not be happening if it wasnt for you. Thank you for all your unbelievable support.
