

Teen Boat! The Race for Boatlantis

Praise for Teen Boat! While I am not the John Green who illustrated this book, I am a John Green who ABSOLUTELY LOVES the unadulterated brilliance that is Teen Boat! John Green, author of The Fault in Our Stars Teen Boat has always felt different from the other kids, which makes sense, since hes the only one who can transform into a yacht. Now, just before his high school graduation, he embarks on an epic quest of self-discovery. He learns of a mysterious city called Boatlantis, where boats are at the top of the social ladder. Can it be true? Has he finally found the place where a half boy/half boat belongs? Or will he always be torn between two worlds?
