

Dipper the Duck

Set on the edge of Whisper Wood, overlooking Mirror Lake, the book tells the story of how Dipper the Duck and his sisters enter the big wide world. After receiving a terminal cancer diagnosis, the late John E. Mills wrote Dipper the Duck for his son as a way of connecting with his future grandchildren. In an attempt to support research into cancer, all royalties from the book are donated to Children with Cancer UK (CWCUK; <http://www.childrenwithcancer.org.uk/>). We very much hope that you and your children enjoy the book!
