

Hiking (Exploring the Outdoors)

The Exploring the Outdoors series gives young readers a sampling of the many leisure activities that can be enjoyed in nature. Each book contains eye-catching photos, charts, and healthy eating and exercise tips that encourage readers to get outdoors and enjoy these activities. Exploring the Outdoors is a series of AV2 media enhanced books. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slide shows, activities, hands-on experiments, and much more.
