

## Do Not Open This Book

In the spirit of the bestselling classics DONT LET THE PIGEON DRIVE THE BUS! and THE MONSTER AT THE END OF THIS BOOK comes a riotously funny, interactive picture book from a hot new team. Excuse me, but who do you think you are, opening this book when the cover clearly says, DO NOT OPEN THIS BOOK? The reason you werent supposed to open this book is because it is not yet written!...You think its easy to put words together? Hah! Now go away--I need time to think. So begins Pigs valiant attempt to pen his masterpiece. But he is constantly interrupted by the reader who is seduced at every turn into foiling his efforts (please go away please do not turn the page)--until at last we reach the final page & discover that together, Pig & the reader have indeed created a book.
