

Tortoise Football (World of Happy)

The tortoises were playing FOOTBALL yet again. But then one tortoise kicked the ball on to the wrong side of the river. No tortoise knew a way to cross. Each tried, but all in vain. Its over, wailed one. For WITHOUT football, what reason have we left to LIVE? Oh, MISERY! Oh, ME! And so begins a story about PLAYING TOGETHER featuring a boisterous audio soundtrack, voiced by Geoffrey Palmer. World of Happy is a funny and heart-warming new series from Giles Andreae, the bestselling author of Giraffes Cant Dance, Rumble in the Jungle and Captain Flinn and the Pirate Dinosaurs. World of Happy ... because life is FUN!
