

## Cant Believe Its Kosher!: Jewish Tradition for Todays Lifestyle

This collection of recipes combines Jewish tradition with today's healthy lifestyle while maintaining the Jewish dietary laws. Included are recipes representing the various cultures in which Jews have lived and flourished. A description of the Jewish Holiday and Festivals, along with menu suggestions and a 10 year Jewish Holiday Calendar are a meaningful addition to this Jewish holiday cookbook. Also featured are large Vegetarian Entree and Passover sections. You don't have to be Jewish to enjoy the easy-to-follow recipes in this book. It's a must for every cookbook collection. In addition to recipes representing the various cultures in which Jews have lived, vegetarian dishes and interesting preparations, such as mango salsa salmon and biscotti chocolata, bring still another dimension to Jewish cooking. Short cuts and cooking tips are also featured. The sisterhood supports multiple educational projects as well as a large Kosher facility open to the entire community. This 320-page cookbook features 450 traditional and contemporary recipes (including 80 desserts) - all clearly designated as dairy, meat or parve. It offers descriptions of Jewish holidays and festivals, menu suggestions and a 10-year Jewish holiday calendar. Local artist and Sisterhood vice president Cindy Cooper designed the book's cover and all artwork in it.
