

Stablemates: Belle

The sixth reader in the Stablemates series features an American Quarter horse and a Christmas theme! Belle is a Quarter horse who lives in a big city park. Emmy is a shy young girl who has just moved to the big city from the country. Emmy is afraid of things in the city and needs a friend. As Christmastime approaches, Emmy travels off path in the park, but Belle helps her find their way back to the stables safe and sound. Emmy begins to feel better about the city when her parents announce that her new present is Belle! Now they can be friends forever.
