

Dragonbreath #4: Lair of the Bat Monster

Danny Dragonbreath is hoping to see lots of cool bats when he and his best friend, Wendell, visit Dannys cousin, a bat specialist in Mexico. But he isnt expecting to get up close and personal with a giant bat monster, who kidnaps Danny and carries him off to her lair! Now nerdy Wendell will finally get a chance to be a hero ... but only if he can hunt down the bat monster before she permanently adopts Danny as her bat monster baby. Ursula Vernon has packed the fourth book in this laugh-until-smoke-comes-out-of-your-nose series with fantastic bat facts and hilarity of the highest order. Wimpy Kid fans everywhere will love this decidedly un-wimpy (but often unlucky!) dragon. Perfect for fans of Wimpy Kid and Bad Kitty. Watch a Video
