

## Larry Fitzgerald (A Robbie Reader) (Robbie Reader Contemporary Biographies)

Larry Fitzgerald is one of the rising stars of the National Football League. As a wide receiver, he combines an amazing leaping ability with superior eye-hand coordination to haul in pass after pass. He has already set several records, played in the Super Bowl, and been voted to the Pro Bowl several times and his career is still young! How did Larry develop his amazing leaping ability? What does he like to do in the off-season? What kind of a player was he in college? The answers to these questions and many others are in this biography of the man known as Sticky Fingers.
