

## Easter Crafts (Craftbooks)

Get out the glue and glitter! These creative books provide young readers with the very basics in craft construction. Clean, simple text describes fun-to-make projects, while colorful, step-by-step illustrations provide added assistance when needed. This wonderful collection will help children develop their reading and vocabulary skills while doing things they love. Reading levels have been determined by the Accelerated Reader methodology. The books in this series are appropriate for Reading Level 1 and up.
