

Hooter and The Hanukkah Miracle

When my three children were little, they asked me: Mama, why is there no Rudolph or Frosty or Santa Claus for Jewish children? I wrote Hooter & The Hanukkah Miracle in answer to their question....***** 5 stars!H.E. Klines childrens story, Hooter and The Hanukkah Miracle, is an outstanding retelling of the history of the Festival of Lights ... Hooter is a marvelous teacher and friend for the lost, little owl. His warmth and kindness are themselves a glowing light, and his story about the lights, and the traditions and history of Hanukkah is beautifully told. Hooter and The Hanukkah Miracle made me smile while I was reading it, and then I realized I wanted to read it all over again. Klines storytelling is inspired. The author brings the story and the traditions to a new generation in a most delightful and resonating way. Hooter and The Hanukkah Miracle is most highly recommended -- Jack Magnus for Readers FavoriteHooter is a marvelous teacher and friend for the lost, little owl ... let him teach your children the meaning of the Festival of Lights.... Jacob stood up quickly and tried to wipe his feathers clean of snow. He flapped his wings. He shook his head back and forth as fast as he could wiping the wet snow from his tiny bird body. The big, old owl then said softly: Come with me, little one. You must be tired and hungry and so very cold. My name is Hooter, tiny one. Follow me ... Jacob cuddled his tiny body into Hooters thick white down. What is Hanukkah, Hooter? Jacob asked. Hooter then saw a big, huge earthworm wiggling in the moss and swallowed him whole. Hanukkah is the great festival of lights ... I will tell you a story now, Jacob, about these lights, and then you will not be afraid, my tiny friend.
