

The Squickerwonkers

Meet Selma of the Rin-Run Royals, a clever little girl who is spoiled to the core. One day Selma stumbles upon a band of colorful marionettes, and gets more than she bargained for. The remarkable Squickerwonkers of the fabulous Squickershow are about to teach Selma that shell not always get her way. Evangeline Lilly is best known for her work as an actress, but her foremost passion has always been writing. This book is her first published work. Beautifully illustrated by Johnny Fraser-Allen, this eccentric and visually stunning cautionary tale will appeal to adults and children alike.
