

Far Rockaway

Cat is knocked down by a speeding fire truck whilst crossing 55th St and 3rd Ave in Central Manhattan. She wakes in a world made from all the books her grandfather used to read to her, peopled by some of the most memorable heroes of classic adventure fiction, brought vividly to life. Cat must earn their friendship and help as she begins an odyssey and epic quest to find the mythic Castle at the Worlds End. And the name of that distant, mythic, wave-tumbled fastness? It is, of course, the castle of Far Rockaway. If you enjoy reading good books; swashbuckling adventures with sword fights and pirates - then Far Rockaway is the book for you. Join Cat as she embarks on the journey of a lifetime. Far Rockaway has been longlisted for the Carnegie Book Award 2013.
