

## Fat Cat (Fun With Phonics)

An interactive phonics story and spinner wheel for a value price! Fat Cat likes to nap on his mat all day long. But he has little chance to enjoy his nap when Pat finds a rat in her hat, chases it with a bat, and lands flat on Cats mat! This silly, rhyming story allows children to recognize, read, and spell three-letter words in the short a word family. FUN WITH PHONICS is a wonderfully interactive series of early reader books, designed to develop literacy and sound-recognition skills through repetition within a meaningful context. Children will learn through the integrated experience of turning the wheel to spell words as they read!
