

Ferdinand Foxs First Summer

Follow this photographic journal of a red fox as he explores the world around him during the first few months of his life. Hes about a month old when he first comes out of the den. Watch as he learns to hunt through play and by using his senses. See the changes as he grows from a young kit to a young fox. After all, by the next summer, hell have kits of his own! Naturalist photographer and environmental educator Mary Holland has captured Ferdinand Foxs First Summer in a way that is sure to grab childrens hearts. 2013 Bronze Moonbeam Award
