

Field & Streams Guide to Camping (Field & Streams Guide to the Outdoors)

Camping is one activity that's much more fun when one has the right skills and know-how for the outdoors. Field & Streams editors have collected 87 essential pieces of advice about camping that will make readers into leaders of the campground. Pitching a tent, making knots, building a fire, and cooking a delicious outdoor meal are all part of this wide-ranging guide. Visual aids and numbered directions make each skill comprehensible, while beautiful color photographs will inspire readers to pack up and head outside.
