

Fire! Fire! Said Mrs. McGuire

A group of silly mice live happily in a cozy closet, until one day they spot a menacing orange glow through their keyhole. It must be ... fire! What will they do? Water! Water! says Mrs. Votter. Break down the door! says Mrs. Orr. But is all the fuss really necessary? Bill Martin Jr's classic text gets a fresh update from Vladimir Radunsky. With the wry wit that fans have come to expect, Radunsky creates a wacky world of bumbling rodents behind the closet door. And for more fun, a keyhole cutout reveals a delightful surprise ending.
