

Fluffy Ducklings Go For A Swim

Join in with all the splashing and quacking as Mommy Duck takes her fluffy ducklings for their first ever swim across the lake. This fun and endearing story is an early introduction to wildlife that also encourages young ones to believe in themselves and feel proud of what they can do. Childhood is full of firsts: first time walking, first time feeding yourself, first attempt at using the potty and first day at school amongst many, many others. And it can sometimes feel daunting for little ones. So, within the pages of this book, children are gently taught that even if something they need to do seems scary, they can still have a go. And, along with the ducklings, they can venture bravely to achieve whichever first is next, all in a loving, supportive atmosphere and be praised for their efforts and achievements. Take a look and see for yourself: the fluffy ducklings are eagerly awaiting you! Click on the LOOK INSIDE feature for a sneak preview! GET THE KINDLE EBOOK FREE on Amazon.com IF YOU BUY THIS PAPERBACK PRINT BOOK Scroll up and order your copy now!
