

For Real

From Alison Cherry, author of *Red*, a novel PW declares sparkles with wit, comes a terrific story about two sisters and one big question: how do you know whos for real? When Miranda discovers her boyfriend, Samir, cheating on her just after her college graduation, her sister, Claire, comes up with the perfect plan. Theyll outshine Mirandas ex on *Around the World*, a reality TV show on which fame-obsessed Samir is already scheduled to compete. Claire expects the game to be simple: all they need to do is race around the world faster than Samir and theyll win a million bucks. But the show has a twist, and Claire is stunned to find herself in the middle of a reality-show romance that may be just for the cameras. In a world where drama is currency and manipulation is standard, this summer could end up being the highlight of her life ... or an epic fail forever captured on film. Fresh, fun, and packed with adventure. VOYA A sweet and funny story of sisters bonding. Publishers Weekly A comic romp with considerable wisdom on the side. Kirkus Reviews Funny and lighthearted, this novel nevertheless delivers truth in tender ways. Booklist
