

Nancy Drew Girl Detective: Framed (Nancy Drew: Girl Detective (Blackstone Audio))

A prince is in River Heights. A prince! Granted, hes from a relatively minor royal family, but still. This is big news. The headlines get even bigger once the prince is found toting a painting for his familys good friend, Mrs. Mahoney--because within hours of his arrival, the federal authorities arrest him. They suspect he stole the painting from his family. Dad and I arent buying it. We have a hunch theres more to this--ahem--picture. But can we save the prince before hes wrongfully crowned criminal?
