

Fred Forgets

Fred is very forgetful. It's a good thing his friend Monkey is around to help him remember what he was about to do. But wait! Fred wasn't going to ride a unicycle upside down, and he definitely wasn't going to wrestle a rhino... Will Fred remember what he was doing before he peels one million bananas for Monkey? From the creator of Lazy Dave comes a humorous story about a forgetful elephant who may not be as forgetful as he seems!
