

## Freddie the Frog® and the Flying Jazz Kitten: 5th Adventure: Scat Cat Island

SCAT? WHATS THAT? Freddie asks the winged kitten. A kitten with wings? Scat? Freddie the Frog finds adventure when some cool jazz cats fly their plane to Treble Clef Island to pick up a new horn. The winged kitten invites Freddie and his best friend, Eli the Elephant to take a peek in the plane. Freddie inadvertently gets whisked away to Scat Cat Island where the cats only speak scat. But with the help of the Flying Jazz Kitten and a swingin beat, Freddie becomes a jazz sensation. Freddie the Frog and the Flying Jazz Kitten introduce children to jazz through interactive scat, inviting children to echo scat with Freddie throughout this swingin adventure. A national bestseller in music education books for kids, there are five other books in the Freddie the Frog Book series making learning music easy and fun!

Sharon Burch is a National Board Certified Teacher in Early and Middle Childhood Music, a certified teacher with the International Piano Teaching Foundation, and holds a masters degree as a Professional Educator. She serves on the Jazz Education Network (JEN) board and chairs the Education Committee, and serves as an elementary education consultant for Jazz At Lincoln Center. Sharon develops educational resources that make abstract concepts fun and easy for children to learn, bringing interactive music back into child's play. During her 20+ years teaching pre-k through high school vocal and general music, she authored the national best-selling Freddie the Frog Book series, interactive storybooks that teach basic concepts of music, including a kid-friendly introduction to jazz.
