

Mystery of the Shaking Ground: Dramas, Speeches, and Recitations for Children

This collection is flexible enough for any church to create an Easter program regardless of the number of children in their congregation. Whether they are blessed with a large number of children or only a few, Christian educators and music leaders will find dramas, speeches, and recitations that help children ages 3-12 learn Bible basics and experience the events of Lent and Easter. Most of the scripts allow the involvement of the entire congregation.
