

Jellybeans

George, a young rabbit, gets a message from his pal Oscar, a cat. How about going to the park to eat jellybeans? And so the two friends meet up and have a hilarious, poignant, and surprisingly trenchant discussion about the existence of heaven, and what might or might not go on there, while munching on their favorite food, jellybeans. Funny, winsome, with a touch of Frog and Toad, this little book is an absolute delight.
