

Giraffes (Zoobooks Series)

We aren't talking big, here—we're talking giant. The heart of an adult giraffe can measure two feet, and pump 20 gallons of blood every minute. With so much blood racing around, how is it a giraffe can bend over to drink and not pass out? All the secrets are revealed in *Giraffes*. Zoobooks, the 59-book animal series - the everything you wanted to know but didn't know who to ask guide to the world's most fascinating creatures. Each exciting edition of Zoobooks is packed with current scientific facts, striking photography, beautiful illustrations and unique activities that teach children about animals and the habitats in which they live. With innovative publications and products, Wildlife Education, Ltd. has enriched the lives of children, parents, and educators nationwide for 20 years. All titles are offered in library-bound hardcover and soft-cover styles. Zoobooks, ideal for the knowledge-hungry 4-11 year old!
