

Goldilocks and the Three Bears

Gennady Spirin has taken a favorite childhood tale and imbued it with charm, dressing his bears in Renaissance costumes and providing whimsical and charming furniture designed for their country dwelling. Each spread painted in watercolor, pen, and ink brings renewed life to this endearing children's classic in a way that only a master illustrator can. No wonder Goldilocks wants to sample the bears' porridge, sit on their chairs, and rest on their beds!
