

Goldilocks and the Three Dinosaurs: As Retold by Mo Willems

Goldilocks and the Three Dinosaurs is a new take on the fairy-tale classic Goldilocks and the Three Bears, so funny and so original it could only come from the brilliant mind of Mo Willems. Once upon a time, there were three hungry Dinosaurs: Papa Dinosaur, Mama Dinosaur ... and a Dinosaur who happened to be visiting from Norway. One day for no particular reason they decided to tidy up their house, make the beds, and prepare pudding of varying temperatures. And then for no particular reason they decided to go ... someplace else. They were definitely not setting a trap for some succulent, unsupervised little girl. Definitely not! Supports the Common Core State Standards.
