

Goodnight, Little Monster

Little Monster needs to get ready for bed. That means howling at the moon, scrubbing his scales, getting into his creepy PJs, and enjoying a nice snack before bed: worm juice and baked beetle bread. And, of course, Little Monster's mother is nearby to tuck Little Monster into bed and turn on his night-light because even little monsters can be afraid of the dark. Bonnie Leick's soft, child-friendly illustrations rendered in watercolor bring a new and quiet twist to the evenings' bedtime ritual. Sweet dreams, Little Monster!
