

Goodnight Santa: The Perfect Bedtime Book

Goodnight snowman. Goodnight choir. Goodnight stockings by the fire. Goodnight tree and mistletoe. Santa's coming! Ho ho ho! Here's a delightful bedtime book that explores all the wonderful and exciting things about Christmas. Santa's workshop, his list, reindeer flying through the starry skies, gifts of every shape and size--it's all celebrated in the pages of this colorful book. Exuberant illustrations and charming, rhyming text tell little ones all about Santa's trek to their homes this Christmas Eve. But they had better settle down and say goodnight, because Santa Claus is on his way. A delightful, very merry look at Santa's epic once-a-year visit that children will clamor for this holiday season, and every holiday season to come. (Ages 1+)
