

## Goodnight Sweet Pig

Poor pig number one may never get to sleep! In this swine-stuffed count-along bedtime book, one ham-bunctious pig after another comes crowding into her bedroom --- each with its own special way to keep the poor little pig awake. Pig number two turns on the light. Pig number three likes to watch TV all night. Fours a juggling boar --- and there are still six more! With new hogs arriving by the minute, pig number ones bedroom is wall-to-wall pig-demonium. Will this weary little pig ever hear the Bards immortal words: ?Goodnight, sweet pig?? Here is a counting book that uses irresistible rhymes to send children off to sleep, night after night.
