

# Monkeys: Amazing Pictures and Facts About Monkeys (Lets Learn About)

Monkeys - Interesting and fun facts about monkeys. Have your children ever wondered EXACTLY how smart monkeys are? There are so many awesome things to learn about monkeys. How do they communicate with each other? Where do they sleep? In this book you'll find answers to these questions and many more in simple, fun language. Each fact is accompanied by incredible pictures to keep even the youngest child fascinated. In school our children aren't taught in a way that makes them curious and want to learn. I want to change that! This book will show your children just how interesting the world is and help excite a passion for learning. Your children will learn how to: Become curious about the world around them. Find a motivation to learn. Use their free time to discover more about the world - and have fun while doing so! And much more!
