

HCSB Comprehensive Concordance (Holman Christian Standard Bible)

An essential tool for the pastor as well as for any serious student of the Bible. The HCSB Comprehensive Concordance contains nearly 300,000 concordance entries. Only 263 common words are omitted; all the rest of the words in the HCSB are completely listed. This book will assure that you can find the passage you are looking for, and it will be indispensable for your word studies and devotions. Because it is smaller than an exhaustive concordance, it can be kept handy at your desk or carried with you to church and Bible study.
