This 10 Day Fast Start Weight Loss DASH Diet book is geared not only toward lowering your blood pressure, but it is targeting a major cause of your high blood pressure: Your weight! Yes, this is a weight loss book as well as a DASH Diet book, and if you have 10 days to invest in getting back your health and your beautiful body, you will be on your way to a long life with a beautiful healthy body full of vigor and zest. The DASH Diet, which is short for Dietary Approaches to Stop Hypertension, was began by scientists that were backed by the National Heart, Lung, and Blood Institute. They conducted two important studies; the DASH Diet was on its way. The U.S. Department Of Health And Human Resources printed the DASH Diet in 1998. The DASH Diet was an exciting new idea and was soon very popular. So, from now on when DASH is mentioned in this book, it will mean Your Guide To Lowering Your Blood Pressure With Dash. So if your see the phrase DASH with the word weight loss, you will know that we are talking about Your Guide To Lowering Your Blood Pressure With
