

Healthy Baby, Happy Baby

The simple and informative guide to introducing solids to your baby. Full of research and recipes, this is the perfect book for every new mom! They say babies should come with a manual, so here's one to get you started on feeding your baby the healthy way! Inside this little manual, you will find helpful tips and information to make the transition to solids as simple as it can be for both baby and you, as well as great recipes to get you started.
