

Hockey ABC (My First NHL Book)

What better way to introduce your child to the entertaining, action-packed world of hockey than through a new series of books aimed at the youngest of hockey fans? Published through the combined efforts of the NHL, the NHLPA and Fenn/Tundra, My First NHL Books introduce preschool readers to the essential early concepts of learning through the fun and entertaining themes of hockey. Count players, sticks and Stanley cups, explore the colours of the rainbow through team logos and sweaters; look for familiar shapes amongst pucks, scoreboards and nets, and work your way through an alphabet that includes everything from A is for Arena to Z is for Zamboni, and everything hockey in between.
