

## Hoppy Easter (Little Apple)

Katie Potts always seems to have a hard time around the holidays, and Easter is no different. Perfect Tiffany Bianca is bringing her fluffy white bunny to class for show-and-tell, and Katie is determined to have a bunny of her own. When Katie asks her father for a bunny, he says that they are too much trouble. But Katie just won't listen. Will Katie's Easter basket be full of trouble? Or will her dreams come true? (Digest) .
