

House of Robots

The story of an extraordinary robot that signs up for an ordinary fifth grade class and changes elementary school forever is now in paperback! Its never easy for Sammy Hayes-Rodriguez to fit in, so hes dreading the day when his genius mom insists he bring her newest invention to school: a robot he calls E--for Error. E not only thinks hes Sammys brother... hes actually even nerdier than Sammy. Will E be Sammys one-way ticket to Loserville? Or will he prove to the world that its cool to be square?
