

Build My Own Main Street: Build My Own Books with Building Bricks

This Build My Own kit encourages engineering skills with a set of building blocks and reinforces positive values such as sharing, encouraging others, and developing self-confidence. The kit includes a paperback book and more than 100 building bricks to assemble your own store, two tables, a store counter, and a terrier dog. Meet Emma, Isabella, and Madison! These smart and creative girls embark on adventures on Main Street that give a chance for each girls talents to shine! In The Cupcake Competition, shy Isabella cant resist entering the contest and with her friends to support her, she has a great time baking her newest creation! In the next story, Emma and Isabella lend a hand at a local dog grooming shop to get the dogs to the show on time. Animal-loving Madison takes some photos, and her pics steal the show! In the story, All Things Old Are New Again, artsy Emma uses second-hand items to create a first-rate look. This set comes with more than 100 building bricks to assemble a store, two tables, a store counter, and a terrier dog. Mini girl figure included!
