

Excuse Me!

Frog has a problem. Burping makes him happy, but all the other frogs think its disgusting. When he finds a town where everyone loves to burp, he finally realizes that the other frogs may have been right after all. This comedy of bad manners will have children laughing out loud. And they will discover, like Frog, that a little manners can go a long way. Lisa Kopelkes lively text and witty illustrations showcase Frog and his overly gassy friends. Burp! Excuse me!
