

You're a CrocaGator

You're a CrocaGator, first featured in the authors recent poetry collection Reflections of a Life in Poetry, is now a beautifully and cleverly illustrated picture book. The storyline follows the problems that arise when a crocodile and an alligator fall in love and form a mixed family. Family members of all ages will enjoy the combination of gentle humor and lively characters used to present a sensitive topic. The author is currently working on future CrocaGator tales for a series that will help children understand and cope with today's complex family issues.
