

# I Have It All: A Story About Being A Heroic Mom and A Rock Star Businesswoman (The Mentor Code Series)

They said I couldn't be a mom AND a successful businesswoman. I Have It All tells the story of Erika, a mom, with a full-time job, who is looking for something different, something better. Like many women, she wants to have time with her family AND be a rock star businesswoman. Out of the blue, Erika meets Sandy, a mega-success, known across the country, a mentor for other women. Follow Erika as she's guided through the interweaving mazes of business and motherhood, on her quest to follow her dreams. This is a short novel with a powerful message.
