

I Wonder Why Penguins Cant Fly: And Other Questions About Polar Lands

A highly popular and long-running series that explores the questions that young readers ask about the world around them in an unrivalled child-friendly style. The conversational format is perfect for delivering solid information in a natural, amusing and imaginative way. I Wonder Why Penguins Cant Fly by Pat Jacobs takes a look at the coldest places on Earth the Poles. Readers will learn about animals that live at the Poles, such as polar bears, penguins and seals; and also discover how plants survive at the Poles, why the polar ice caps are in danger of melting, and how scientists gather important information about the climate and more in the harshest environment.
